## GUIDEBOOK

# GAME ON.

## THE ARCADE IS OPEN!

Safety Month 2025 is built like an arcade, with 11 topics over 11 games.

There will also be a number of mandatory trainings, powering up your skills.

Each game is worth 3 Barry Bucks, as well as a ticket entry into that game's prize.

Each training has a separate prize drawing.

## ⚡ WHERE TO PLAY: ⚡

The entire game will take place at [IsettSafetyWeek.com](https://IsettSafetyWeek.com).

This guidebook is a quick overview of the available games, required activities, and prizes. It is all also on the website.

All submissions of materials will take place through the website.

If you have any questions throughout the week, please email your arcade hosts at [Safety@barryisett.com](mailto:Safety@barryisett.com).

# F.A.Q.

All questions not below can be answered by emailing us at  
**[safety@barryisett.com](mailto:safety@barryisett.com)**

This includes questions about the website, content, prizes, or events.

.....

## **HOW MUCH TIME CAN I SPEND ON SAFETY WEEK? HOW DO I CHARGE IT?**

Please speak to your managers about Safety Week hours.

If you complete all games, it would take about 5 hours of time. Most managers are very supportive of time spent.

You may charge your time to 0008.5 - Health & Safety - on your timesheets.

## **HOW WILL I GET MY BARRY BUCKS?**

They will be emailed the week after safety month.

## **HOW WILL I KNOW IF I WON A GAME PRIZE?**

You will be emailed Monday after safety month.

## **HOW WILL GAME PRIZES GET TO ME?**

They will be mailed directly to your address in Paylocity from Amazon or similar.

## **HOW DO YOU KNOW WE AREN'T CHEATING?**

As usual with Safety Week, we don't. We will ask questions on each exhibit form, but we're leaning on the honesty of Isett associates. We hope that you want to gain safety skills more than win a little prize - if this becomes an issue, we will amend.
